TRIP DETAILS

Step back in time and experience the grandeur of the “Ship of Dreams” at *Titanic: The Artifact Exhibition* in Boston at Castle Park Plaza.

Embark on an awe-inspiring journey into history! Discover authentic artifacts and experience incredible recreations of the interior and exterior of the ill-fated “Ship of Dreams.” Secure your boarding pass, assume the role of a real-life RMS *Titanic* passenger, and dive into mesmerizing tales from history. From its luxurious cabins to the personal belongings of its passengers, every aspect of this exhibition will transport you back to the era of the world’s most famous ocean liner. The 15,000-square-foot exhibition features replica interior rooms and a full-scale re-creation of the first-class Grand Staircase. During the interactive tour you will view authentic artifacts, respectfully and honorably recovered from two and a half miles below the surface of the North Atlantic, which tell the real story behind *Titanic*’s journey from construction to eventual recovery. Walk the halls, peer into cabins, and meet the passengers and crew throughout the voyage. The genuine, authentic artifacts on display offer emotional connections to the forever-altered lives of those who were onboard *Titanic*.

We will have two hours to enjoy the exhibit.

Lunch prior to the exhibit is at everyone’s favorite place, Maggiano’s, for their 3-course luncheon. We start off with ciabatta rolls, Caesar salad, tomato bruschetta & mozzarella marinara followed by entrees of chicken parm, eggplant parm & baked ziti. We finish with tiramisu and chocolate cake. Coffee and tea are included. (Menu subject to change.)

During lunch, a “cash bar” will be available.

From here it’s a very short 0.1 mile (5 min walk) to the exhibit (weather permitting, such as rain, and subject to change, we will bus you there).
