TRIP DETAILS

We are off on another new day trip! Let's hope the winter weather cooperates and the daffodils are at their peak.

Our day starts with a visit to Linden Place in Bristol, RI. We step into the past to experience the mansion that *Yankee Magazine* called "more than a house tour, it's a history of our country, dark corners and all." We will have a guided tour of the mansion which, long before it appeared in the movie *The Great Gatsby*, was the dramatic stage for one family's multigenerational journey from the dark days of the slave trade through the boom times of the industrial age. Our tour will include the first and second floors with plenty of time for conversation and questions.

Our next stop is Blithewold Mansion. Our first order of business here is high tea. Every guest will receive cheddar chive and cranberry orange scones with clotted cream; cucumber and dill sandwich; pear and apricot cream cheese on raisin bread; ham and pimento cheese sandwich; shrimp pate crostini; chicken salad in a phyllo cup; chocolate truffle; mini carrot cupcake; French macaron and a pot of tea. (Gluten-free, nut allergies and vegetarian need to be requested in advance.) Menu is subject to change.

After tea we will enjoy a guided tour of the mansion before we depart for home.
