TRIP DETAILS

We are off to another new destination this fall that we have not been to before. Let's hope the foliage is spectacular.

We will make a rest stop enroute for lunch at Hart's Turkey Farm in Meredith. Please choose one of the following below: turkey dinner with dressing, gravy, and cranberry sauce; roast beef with beef gravy; or broiled haddock with lemon wedge. Our complete dinners include a tossed garden salad with cranberry vinaigrette dressing, rolls and butter, whipped potatoes, and butternut squash. Lunch is complete with apple crisp, coffee, or tea. Cash bar available, and menu is subject to change.

Next, we journey to the Castle in the Clouds, a 1914 mountaintop retreat overlooking New Hampshire's lakes and mountains. Once on the estate grounds, we will travel by trolley to the historic Lucknow mansion, the same road that Thomas and Olive Plant traveled on more than 100 years ago. Upon arrival, a guide will provide a brief orientation, sharing the rags to riches to rags story of Thomas Plant.

Afterward you will explore the mansion on a self-guided tour. Pick up a floor plan in the main hall to uncover highlights of the mansion like the central vacuum system, needle showers, and preserved clothing in Olive Plant's closets. You can also stroll the lawns and walk through the gardens while admiring the views of the mountains and lakes.

After our castle visit, we begin our journey home.
